Entertainment for them.

(A little free time for you)

It's the little things in life that count—like our youngest and smallest guests.

Waldorf Astoria® Orlando developed WA Kids to keep everyone from toddlers to teens happily entertained and feeling welcome. There are fun activities for every age group and plenty of rewards for parents, too.

Opt for the evening program, and while your young ones enjoy a three-course meal, you'll enjoy dining and theatrical performances. It's a win-win situation, and comforting to know that WA Kids is certified by Safe Kids USA.
