

Tenant Representation Specialty Practice Board

April 22, 2006

This data form will permit the SIOR Tenant Representation Specialty Practice Board to create a database of those SIOR members who specialize in providing tenant representation services. It will also permit the gathering of data about the sub-specialties offered by tenant rep SIORs. The goal is to make this information available to members of the SIOR Tenant Representation Specialty Practice Board, so they can call on knowledgeable SIORs with specific expertise to share ideas and conduct business together.

Please complete this form and return it to Gregory P. Schenk, SIOR, Meeting Leader before the end of today's session, or fax it to Andrew B. Zezas, SIOR, at 908 245 7172.
