2011 SIOR Foundation President

This is Your SIOR Foundation!

The SIOR Foundation is your Foundation. You should be very proud of all your Foundation has accomplished this past year. The next time you see Larry Taylor, our 2010 President, tell him thanks for a job well done. Larry's leadership brought us through a tough year and the Foundation emerged stronger than when we began. He is a model for all of us and a true example of servant leadership. I consider myself very lucky to have had his example to follow.

So let's review what we did in our fiscal year 2009-2010. We funded a total of \$157,891 for programs and scholarships (September 1 to August 31.)

| 1) Grants for SIOR educational articles | \$9,000 to <i>SIOR Professional Report</i> |
| 2) Matching funds for SIOR Chapter programs | \$12,375 to 16 Chapters for education and research programs. |
| 3) Matching funds for SIOR Chapter scholarships | \$75,067 to 19 Chapters for 87 students |
| 4) University Grants | \$10,000 to University of Northern Iowa Real Estate Education Center |
| 5) Mildred C. Hanson, SIOR Memorial Scholarship | \$3,000 to Briana Dunne, University of Illinois |

| 8) The " Hunt Sessions" 2-DVD Gift Set | \$22,974 for 3,000 sent to all SIOR members and associates |

These would not be possible were it not for your generosity, so thank you. Every time you make a donation to the Foundation, buy a ticket for The Great Giveaway, or participate in the 1% Solution you make it possible for your foundation to fulfill its mission.

This year we saw significant improvement during our annual Phonathon. Pledging has increased and it sure seems like we've turned the corner. This coming year we will need your support more than ever-- your financial support as well as your participation in chapter activities that promote the Foundation.

Peter Whatmore is serving this year as SIOR Foundation Vice President and Joe Barna as Foundation Treasurer.
